1st & 4th September – Training Days – Children start back to school on TUESDAY 5th Sept.

Check the
website for
further
details!

WASACRE Conference 7th July

The Eyton School Choir will visit the Council Chambers at the Guildhall to perform for the Mayor and council dignitaries from across Wales at the WASACRE Conference (All Wales Standing Advisory Committees for Religious Education). A bus will be provided free of charge for the choir, we are unable to take the whole school as space is very limited. Your child will bring home a letter if they are invited to attend, please return the permission slip asap. There will only be three schools performing at the event and Eyton is very fortunate to be invited to attend. (Miss Jesson is chair of the Wrexham SACRE this year so there is a little bit of favouritism in action!)

Eyton Summer Fair. 30th June 5.00pm – 7.00pm

Fundraising for new computers – there are only two computers in the whole school that always work, never freeze and print to the main printer. They are both for administration purposes so not suitable for children as they are in the office. We are looking to spend AMAP (as much as possible) on computers this year. To do that we need your help! Please could you help by donating the following items to the fair:- bottle bags, raffle prizes, bottles, chocolate etc. **Please look out for the Eyton PTA newsletter coming from Wrexham County Borough Council delivery system.**

Common Transfer Day

Children in current Years 2 and 4 will spend the day in their new class.

Current Nursery will come to school at 12 to join us for lunch and stay the afternoon.

New Nursery children will arrive for the afternoon session at 1pm.

Current Year 6 children will be visiting their secondary school for the whole day.

Thursday
29th June

Website Update

There is now a facility for you to receive an email update every time something is added to the website. Look on the home page for the SUBSCRIBE button, add your email address and check your junk/clutter folders. Apologies for the glitch last week, the website suddenly decided that we are all living in Spain and set our calendar time to Europe. Not sure how it happened, the best guess is the website has read Miss Jesson's mind about relocating to a warmer climate!

Attendance

Summer holidays are only four weeks away! Please, please ignore the holiday offers for cheap trips abroad before the term ends, your child is entitled to every day's education. Don't forget, the computerised registration system we have been using since September records every single minute late, so eventhough your child may be in class by 9.05 the minutes start to add up through the year affecting their attendance figures. **School starts at 8.55am.** All parents of children who arrive late will be asked to sign the late book. Thanks for your support.
