

# Eyton Church in Wales Primary School Newsletter – 15<sup>th</sup> June 2018

**Diary Dates** (these are also on the calendar on our website [www.eytonprimary.co.uk](http://www.eytonprimary.co.uk) – keep up to date by registering your email address)

28<sup>th</sup> June - Common Transfer Day  
29<sup>th</sup> June - No uniform day – Sumer Fair  
3<sup>rd</sup> July - Children's Day, Llangollen Eisteddfod  
5<sup>th</sup> July - Bikeability – Year 6  
6<sup>th</sup> July - Sports Day pm (10<sup>th</sup> July reserve day)

## **Fruity Friday**

Daniel Hunter from Cheshire College came to school today as part of our Fruity Friday sessions where he demonstrated fruit carving or at least I think he did as at the point of posting this newsletter he hadn't actually started! I'm sure there will be pictures posted onto our website later! Mrs Antrobus ;-)

## **Summer Fair**

Our summer fair this year is 29<sup>th</sup> June. Don't book any holidays in Wales this day as it will surely rain (besides, you would miss all the fun of our fair!). Get practising your weird & wonderful cake recipes for our cake stall, staff at school will be happy to do a free taster session!

Children are invited to come in their own clothes on 29<sup>th</sup> June - please can we equal the fantastic efforts of the bottle donations and bring in a donation of chocolate for our tombola.

## **Returning paperwork to school**

We know it's tedious, but with the introduction of the new data protection requirements in May we have had to send lots of paperwork home for you to complete and return. Please help us to reduce the additional work and expense in printing reminder notes for this paperwork to be returned to school.

## **Have you lost your keys?**

Keys were found in our school hall for a Toyota car last month and despite posters in our windows and texts going out, we haven't managed to locate their owner. The key fob has a number of other keys along with a Nectar membership card – Sainsburys are reluctant to assist in finding the owner. If you've been unable to use your car the last month please get in touch with Mrs Antrobus, she has your keys!

## **Two Million Steps Challenge**

Each morning the whole school participates in our two million steps challenge around our field (even Miss Jesson puts on her trainers and joins in!). One lap is equal to around 250 steps. Last week we reached an impressive one million steps! Our target is to reach two million by the end of term. Have a look at the photos on our website, the children are enjoying keeping fit and healthy.

## **Bikeability Cycle Training**

Year 6 will have the opportunity to receive skills and experience to cycle safely and confidently when "Cycle Experience" come into school next month. Information can be found on their website at [www.cycleexperience.com](http://www.cycleexperience.com) and letters have been sent out this week – PLEASE RETURN THE CONSENT FORMS!!!

## **Parent & Governor Meeting**

Thank you to all the parents who attended last night's meeting. Ian Roberts and Roz Williams were very impressed with the direction the school is taking, and I'm sure you'll agree that our future is looking very positive indeed. If you have any feedback following the meeting we'd like to hear from you.

## **Llangollen Eisteddfod**

It's children's day on 3<sup>rd</sup> July at the Llangollen International Music Eisteddfod, and as in previous years we have arranged for the whole school to have a day watching and taking part in events at The Pavilion. Letters with more details will be sent out in the next couple of weeks.
