Swimming

Unfortunately, Chirk swimming pool are having difficulties with staffing and have had to cancel swimming until further notice. I have been assured that they are trying really hard to sort the situation out as soon as possible. As soon as we have any more news we shall keep you informed.

Website Update

There is now a facility for you to receive an email update every time something is added to the website. Look on the home page for the SUBSCRIBE button, add your email address and check your junk/clutter folders. We hope this new initiative will make it easier for everyone to be aware of what goes on in school.

Every week, the newsletter will go onto the website in the, "Newsletters," folder. The newsletter will continue to be put onto the noticeboard as a paper copy. Mrs Whitgreave has a new page called, "Mrs Whitgreave's Heads-Up," which will be used to give any direct messages from the headteacher. We hope that this will allow everyone access to school news and that it will all be easily accessible in the one place.

The new 'Administering medicines in school' form can now be downloaded from the website.
