Early Entitlement

Monday -Thursday afternoons

Nursery

Monday -Friday afternoons

Begin at 12.45pm

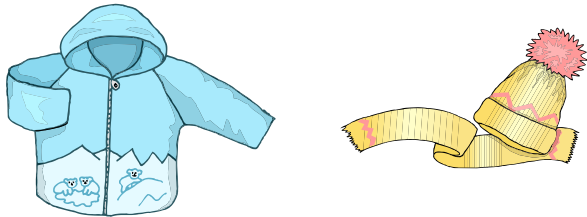

End at 3.15pm

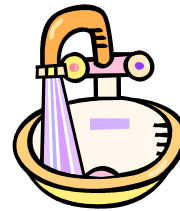

Before starting school it would help if your child is able to:

Put on and take off his/her own coat.

Wash his/her hands.

Go to the toilet alone and flush it.

Use a paper tissue and dispose of it properly.

It helps if you put a clean pair of pants in a school bag so if there are any accidents, the children have their own clothes to change into.

Organisation

Our class operates as part of an Early Years Class, including Nursery, Reception, Year 1 and Year 2 children. Early Entitlement and Nursery do spend time by themselves, but are part of the class as a whole.

By the end of the year, we hope your child will be familiar with the school building and its many rooms, eg: the hall, library, technology room and the outside environment, including our much loved Millennium Garden.

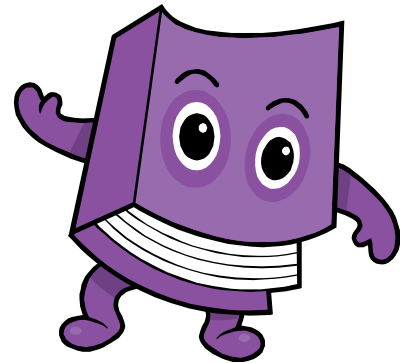

We will also introduce your child to all the wonderful people who help us here at Eyton. In this way, your child's transition into full time education will, we hope, be both happy and secure.

Thursday is Library Day!

The children are welcome to choose a book from the library to take home and share. Please encourage your child to look after the book and return them safely the next week.

Our library is digital so we always have a record of which books are out on loan. If you can't find your book to return it, please let us know.

There is more information about our library and its rules on the website.

After School Club

Eyton Extras is a separate business and runs independently. Please see the Eyton Extras Information -pack for all the details.

Do I need a uniform?

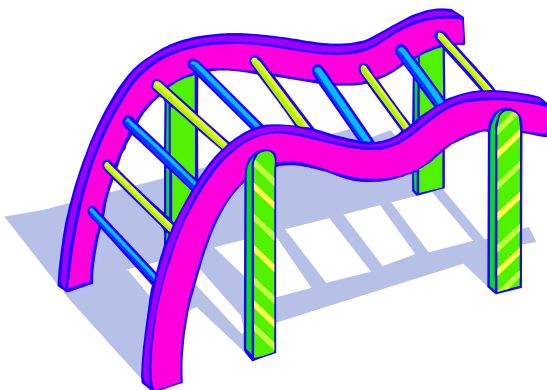

No, but we are very pleased that all children wear the school uniform consisting of grey trousers or skirt and a white or green t shirt with a green jumper.

Please do not send your child to Nursery in their best clothes. We want each child to feel comfortable and happy and not to be upset if they have a spillage or accident.

Children enjoy running, climbing and playing on the large apparatus, which is all part of their curriculum. Please send your child in clothes which allow them to use this equipment.

Please dress your child in clothes they can manage. Buckles, braces and straps are difficult and frustrating for the children.

Shoes are very important! We spend a lot of time on the floor, so comfy school shoes are vital.

Keeping in touch

Website

At Eyton School we use the website as our main tool to keep you informed of what is happening in school. Each class has its own page for news and information.

Look under

<https://eytonprimary.co.uk/foundation-phase>

If you go on to the website you can subscribe for email notifications. Every time a photo is added to the website, an email pops up telling you all about it.

Calendar

You can subscribe to the school calendar so when information and times are updated, you get the information straight away! Go to the calendar page and follow the instructions.

Subscribe To This Calendar

iOS devices: click and hold on this link, then choose 'Open in Calendar' when prompted.

Google calendar: (best done on a desktop) click on the '+ Google Calendar' button in the bottom right-hand corner of the calendar. If prompted to do so, proceed to the desktop version of the Google Calendar website.

Other devices/software: copy and paste the link provided below into any calendar product that supports the ical format:

<https://calendar.google.com/calendar/ical/eytonprimary%40gmail.com/public/basic.ics>

Newsletter

A newsletter is produced every week. It is put on the website and on the notice board outside school. Eyton School's eco committee have asked us not to print out too many letters because of printing costs and the impact on the environment so we do not send out letters in bags if we can help it.

PTA

All parents are automatically members of the PTA! The PTA has its own email address eytonschoolpta@outlook.com just send an email and ask to be added to the group for all the extra information about events and fundraising. There is also a PTA page on the website <https://eytonprimary.co.uk/our-team/pta/> . We also have a Facebook group. It is a closed group - search for Eyton School PTA and ask to join.

SMS

Please keep us informed if you change your primary mobile number. Unfortunately we can only use one number per child. The text service is used for reminders, notes and information. Unfortunately the system doesn't allow you to reply. Please ring school if there is a problem.

Posters

Whilst waiting for your child at the end of the day, look at the posters on the windows, we try to put useful information on there too!

In this leaflet I have attempted to answer many of the queries that you have as your child enters Eyton School. If there is any other information you require, please do not hesitate to contact the school.

**Thanks,
Miss Jesson**
