17 <sup>th</sup> July	St Deiniol's Church Celebration Service 2.15pm
19 <sup>th</sup> July	School closes for summer ☺

**THANK YOU!** The weather was very kind to us for our summer fair as were your contributions on our stalls. We raised over £1100 which will all help contribute to better facilities and experiences for your children.

**Eyton Extras** Unfortunately Dani has decided to leave Eyton Extras and we are therefore looking for a replacement. Applicants must have a full DBS certificate and be available to work Monday-Friday from 3.00pm to 5:30pm. Please see Mrs Whitgreave if you are interested in joining the team.

**School Meals** School dinner balances have started to accrue debts. We are not allowed to serve a meal out if it hasn't been paid for. Wrexham County are passing any debts that are left in July to a debt collection agency so please can you check and clear your accounts either at the machine in reception or by phone to Mrs Antrobus.

**Eisteddfod Day** The whole school will enjoy a free day out on Tuesday thanks to the Arts Council of Wales grant. Children will need to bring a packed lunch, plenty to drink (plastic bottles/cups with lids) and must wear their uniforms with comfortable footwear. Hats & sunscreen will be needed if it's sunny, or raincoats if we're unlucky to have a grey day. Please remember there will be no nursery on this day.

**Flu Vaccinations** Reception to Year 5 will all have taken home consents & information leaflets on the nasal spray flu vaccines. Although these aren't scheduled until 6<sup>th</sup> November, the school nurse is requesting that we receive all envelopes back by 5<sup>th</sup> July so they can co-ordinate the visit. Please return the envelopes stating whether you agree to vaccination or do not agree to vaccination.

**Lateness & attendance** In one week alone, one of our classes missed a total of 102 minutes due to children arriving late. Not only is the class disturbed by late arrivals, the register is missed and the dinner register is missed causing extra work for staff. Also:

- Please make sure you arrange medical and dental appointments for after school where-ever possible.
- Keeping your child at home for 48 hours after sickness and diarrhoea ensures it is not passed on to the rest of school.
- For safeguarding reasons please do not drop children off outside school after breakfast club closes, they cannot be left unattended.

**School Carpark** It is council policy in all schools that no pedestrian access is allowed in staff carparks, more so at our school where the area is raised and surrounded by walls making it impossible when reversing to see anyone walking through the carpark. Please can you remind anyone else who collects your children or visits the school to use the pedestrian gate.
