20 th December	School closes for Christmas
7 th January	Children return back to school

Welcome back to school to all our children and to our new starters. As with previous terms, we will post a newsletter every Friday to keep you informed of all our news. If you have any information you'd like to see on here please let Mrs Antrobus know. There's lots to get through on this the first newsletter of the year beginning with telling you that Mrs Collins will be leaving on 13th September to have her baby. We wish her well and we will keep you informed! Mr Huyton will resume duties with Years 3&4, the children are excited to have him back in Eytôn School.

Swimming starts next week for Years 5&6. The cost each week per child for the transport is xxx which should be paid online using the WCBC payments portal. Dinner money can also be paid for using the site, it is WCBC policy that no meal is to be issued if it hasn't been paid for.

Breakfast club runs two sessions each morning, the first runs from 8am to 8.20am and is £1. The second session is free and starts 8.20am to 8.35am. Payments for the first session should be made in cash to Mrs Madsen on the day. Unfortunately we don't have an online payment facility for breakfast club.

Please subscribe to receive an email update every time something is added to our website. Look on the home page for the SUBSCRIBE button, add your email address and check your junk/clutter folders. Every week, this newsletter goes onto the website in the, "Newsletters," folder. There is still a newsletter on our noticeboard outside the school. We hope this allows everyone access to school news and that it will all be easily accessible in the one place. The 'administering medicines in school' form can be downloaded from the website, unfortunately we aren't allowed to give medicines to any pupils without this.

You will have received brown envelopes containing lots of sheets that we appreciate will be monotonous to complete, especially as they're required every September. Please send these back to school as soon as possible, so that we can update our contact details, etc. It is vital we have a correct number to contact you on should there be an emergency in school. We still use the teachers to parents text service for groups texts and individual messages.

Our school is once again offering support to the MacMillan Coffee Morning Appeal and we welcome you to call in on Friday 27th September to have a tea or coffee and some cake. Our hall will be open from 2.15-3.15pm, bring as many friends and family as you can so we can raise lots of money for this worthy cause. Cake donations into the school that week will be gratefully received.

Our open evening this year will be on Tuesday 24th September, 4.30-5.30pm. This is a chance to meet your child's teacher, go into the classroom and hear about timetables, routines, when PE kits are needed, etc. Mrs Whitgreave will hold another information session for parents about the new curriculum and ALN code. We look forward to seeing you there.
