Apologies				
Mrs Newton, Mrs Hughes, Mrs Edwards (CE), Mrs Astbury, Aunty Vanda (VW),				
1.Matters Arising				
a	1d) This year we will be concentrating on the outdoors, making it safe and exciting. AE coordinated with Mr Griffiths to organise Busy Bee Day. Thanks to everyone for helping out on the day. I t was discussed about repairing/rebuilding the gazebo or instead trying to fund raise for a fully heated, insulated, powered, purpose built Eco class room. It was agreed that the Eco classroom as opposed to a Gazebo would open up a lot of possibilities and opportunities for the school, including the possibility of wrap around care. Therefore it was agreed that this was the preferred route and various fundraising sources mentioned from Crowdfunding, lottery funding, easy giving andof course our own events to raise the funds needed of around £15k-£20k. UPDATE: Eco Classroom and funding - VOTE: Agreed			
b	2a)Pyjama Party 5-7 pm 17 th October; This is going on in the hall. UPDATE - great turn out - need to make sure tickets are bought as we have 'unexpected' attendees.			
c	2b) Children's Christmas Fair - 5-7pm Thursday 28 th Nov Moved due to unforeseen circumstances. We also discussed and planned the up coming Christmas Fayre set for the 28th Nov. There will be lots of Christmas fun and games aswell as of course our special guest Father Christmas 🎅. If you would like to help at all please let your child's class teacher know as we are always grateful for any help and new ideas. Over the next month you will start to see posts on our facebook page regarding the Christmas hampers which raise a lot of money and are very worthwhile winning. We very kindly ask that you all support this in any way you can to keep our legendary hampers going.			
d	2e) We have 13 numbers unsold. Draw made tonight. SJ will post winners on the website.			
e	2f) Tesco have changed the project. Eventhough we are still in there somewhere we will need to look for money from other sources. MB has set up a crowdfunding page so far it has raised over £100			
2.Business for 2019/20				
a	MB has set up a crowdfunding page - see above - to remain on Agenda			
b	RL has joined/set up EasyFunding details are on the website.			
Meeting closed 7pm The next meeting will be in November - see Newsletter for details
