We would like to do something really special for him, so after half-term, Mrs Whitgreave will be collecting donations towards a gift or gifts. He's a keen vegetable/fruit gardener, so a rare apple tree that in September, he could collect the apples from the children's tree, is 1 idea that's been put forward. ### Christmas Dinner Day/Christmas Jumper Day:

On Thursday 10<sup>th</sup> December it is the School's Christmas Dinner Day; we will tie this in with Christmas Jumper Day and have some fun. Please bring a donation for Save the Children. The children will all have the eco-friendly disposable plates and cutlery, but Christmas Dinner will be served and celebrated.

**Please book early so that we can organise it as safely as possible.**

### Neighbours to the school:

Our neighbours at The Old Post Office next door have asked if parents waiting in cars could please turn their engines off. When parents leave their engines running, the house gets the car fumes going inside. So, please could everyone remember to turn their engines off. Thank you.

### Poppies:

Thank you for your support, collecting for the Royal British Legion. Eyton has proudly collected £98 for this most worthy of charities. Thank you all for your donations.

### 100 Club

**There are still a few numbers available, please see Miss Jesson.**

### Sandwiches/Packed lunches:

Keep sandwiches *simple* and as disposable as possible.

Do not bring in water/drink bottles, children use the water fountain and clean cups for drinks during the day.

Children are to bring carton drinks/bottles and packets that they can open themselves to go with their sandwich meal. They are not to bring in water bottles for use during the rest of the day.

If your child has to bring in cutlery, bring disposable items. (We have disposable wooden cutlery in school).

Fruit: please could satsumas be pre-peeled and apples pre-sliced, if necessary.

*Sandwiches are to be brought to school in disposable bags, to keep home-school-home items to a minimum.* If you are unable to put your child's lunch in a disposable bag, please ensure that the sandwich box is thoroughly washed before it comes back to school. Note: We are unable to wash sandwich boxes in school before they go home.

### Equipment:

Children do not need pencil cases, toys, cuddlies etc. Please make sure that these are left at home. Please keep school bags at home, children must not bring them into school.

The no jewellery policy will be strictly adhered to, only plain earrings are permitted.

### Face Masks:

Staff will be wearing face masks or visors, especially if someone requires first aid or becomes unwell. The children will have seen people in shops, out and about, in face masks or visors, so they are becoming, "the new normal." *The current guidance from Public Health Wales is that primary aged pupils do not wear masks in school. If you feel that your child needs to wear a mask, please contact me first at: [headteacher@eyton-pri.wrexham.sch.uk](mailto:headteacher@eyton-pri.wrexham.sch.uk)*

**Also, parents are now required by the Wrexham County Borough Council to wear face masks when dropping off and collecting children.**

### PE:

Please could the children come into school in their PE kits on the day that they have PE. As PE will be done outside, the kit is plain jogging bottoms/leggings, trainers or pumps and a white T shirt. If it is cold, the children will wear their school sweatshirt. No football kits, thank you.

**Please do not bring PE bags full of PE kit into school.**
