

YSGOL EYTON

NEWSLETTER 6th November 2020

Schools are working incredibly hard to keep your children safe...please support them. (Karen Evans, Director of Education WCBC)

Diary Dates:

19th Nov: Eyton Extras AGM

New Advice from Wrexham County Borough Council:

This is added to the newsletters page after this newsletter. Please read the pupil absence advice due to Covid 19 from WCBC. Thank you.

Mr Griffiths Retirement:

Mr Griffiths is retiring at the end of this term. He has given over 20 years of dedicated service to the school. We would like to do something really special for him, so after half-term, Mrs Whitgreave will be collecting donations towards a gift or gifts. He's a keen vegetable/fruit gardener, so a rare apple tree that in September, instead of returning to school he could collect the apples from the children's tree, is 1 idea that's been put forward. Mrs Whitgreave will put a tin on the wall for donations. Thank you.

Eyton Extras:

Eyton Extras has a Christmas Fundraiser: Thank you to Mrs Callaghan who has made some wonderful knitted Terry's Chocolate Orange Hats for a fund raising number in a square game: £1 a go! Please see Mrs Jones to get a number.

Thank you to all the parents have donated biscuits and squash; you're brilliant!

Another fund-raiser we could do is sweets in a jar. If parents could donate some wrapped sweets, then we could do another number in a square game. If you have any other fund-raising ideas, please let Mrs Jones or Mrs Whitgreave know.

19th November: Extras AGM, if you would like to be part of the zoom meeting, please let Mrs Jones know.

Neighbours to the school:

Our neighbours at The Old Post Office next door have asked if parents waiting in cars could please turn their engines off. When parents leave their engines running, the house gets the car fumes going inside. So, please could everyone remember to turn their engines off. Thank you.

Poppies:

The Royal British Legion have sent a box of poppy themed items into school. This was dropped off before half-term so has had over a a week to stand. The items range from £1.00 to £1.50 and Mrs Madsen is doing the collection in the morning. Thank you so much to those who have already bought something/made a donation; Eyton V.C. Church in Wales Primary School has a long and proud tradition of supporting the Royal British Legion, thank you for your support.

100 Club

There are still a few numbers available, please see Miss Jesson.

Mid-day supervisor Vacancy:

The school has a vacancy for a mid-day supervisor to work at lunchtime with the children in school. Please contact school for details.

Sandwiches/Packed lunches:

Keep sandwiches *simple* and as disposable as possible.

Do not bring in water/drink bottles, children use the water fountain and clean cups for drinks during the day.

Children are to bring carton drinks/bottles and packets that they can open themselves to go with their sandwich meal. They are not to bring in water bottles for use during the rest of the day.

If your child has to bring in cutlery, bring disposable items. (We have disposable wooden cutlery in school).

Fruit: please could satsumas be pre-peeled and apples pre-sliced, if necessary.

Sandwiches are to be brought to school in disposable bags, to keep home-school-home items to a minimum. If you are unable to put your child's lunch in a disposable bag, please ensure that the sandwich box is thoroughly washed before it comes back to school. Note: We are unable to wash sandwich boxes in school before they go home.

Equipment:

Children do not need pencil cases, toys, cuddlies etc. Please make sure that these are left at home. Please keep school bags at home, children must not bring them into school.

The no jewellery policy will be strictly adhered to, only plain earrings are permitted.

Face Masks:

Staff will be wearing face masks or visors, especially if someone requires first aid or becomes unwell. The children will have seen people in shops, out and about, in face masks or visors, so they are becoming, "the new normal." The current guidance from Public Health Wales is that primary aged pupils do not wear masks in school. If you feel that your child needs to wear a mask, please contact me first at: headteacher@eyton-pri.wrexham.sch.uk

PE:

Please could the children come into school in their PE kits on the day that they have PE. As PE will be done outside, the kit is plain jogging bottoms/leggings, trainers or pumps and a white T shirt. If it is cold, the children will wear their school sweatshirt. No football kits, thank you.

Please do not bring PE bags full of PE kit into school.

100 Club

Miss Jesson is collecting Hundred Club money, please contact Miss Jesson if you want to play.

Thank you Dame Dorothy Jeffries Trust:

The Dame Dorothy Jeffries Trust had donated £500 towards the cancelled residential in summer. At a recent meeting they have allowed the school to re-purpose the money to providing playground game markings for the children. These have been ordered. Thank you to the trustees for all the support that they give our children in school.
