

Phonics and Spellings

This weeks sounds:

ow- blow, snow, crow
o-e- phone, clone, drone

Keep practicing these every day.

Here is a useful website with lots of phonics games on.

<https://www.phonicsplay.co.uk/resources>

Your spellings will be on Seesaw as usual for you to practice daily.

Any completed work can be uploaded to your Seesaw account or to Purple mash 😊

Literacy

Wednesday-

I have set you a task on Purple Mash.

Following on from yesterday, I would like to describe your setting description for your version of the story.

Think about what you can see around you, what can you smell or taste. Use some interesting adjectives and adverbs.

The ginormous cave was dark and gloomy and smelt musty and damp. On the ceiling there were beautifully painted images, red, brown and black.

Please login to complete 😊

Maths

Wednesday-

I have set you a task on Purple mash; The past few days you have been working on your line graphs. Today, you need to consider all of the work you have recently done including bar charts, pictograms, line graphs, Venn diagrams ect and use your knowledge of this to answer the questions.

Today I would like you to focus on your 3 times tables.

Use Purple Mash 'table toons' to help you or click on the YouTube link.

<https://www.youtube.com/watch?v=dzVyBQ5uTbo>

I have attached a sheet if you want to practice them.

Topic

During the stone age, people told stories through cave paintings, similar to how we use books today. Have a look at the cave paintings I have attached.

The paintings were of things important such as animals, people and weapons. The paintings were made by using natural colourings such as juices from berries, mud, leaves, so dark and natural colours.

I would like you to design your own cave painting.....

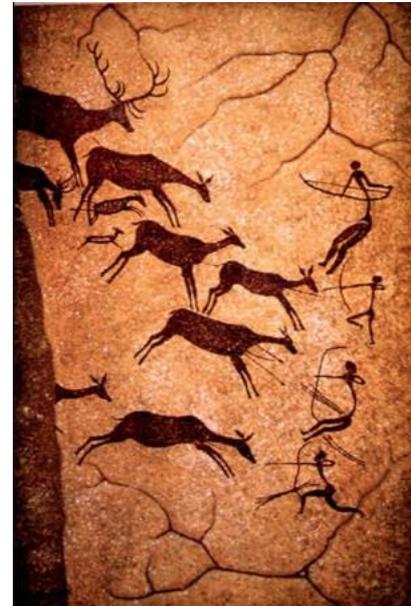

You could do this under your kitchen table, stick your paper above you and paint from there if you want to feel like someone from the stone age. Otherwise just paint it sitting down 😊

Added extras-

<https://wordwall.net/resource/275845/welsh/weather-welsh>

Play this interactive game about weather in welsh. Can you make a poster all about Welsh weather?
