

Phonics and Spellings

This weeks sounds:

er- a better letter

ir- twirl and whirl

ure- nurse with a purse

Practice these sounds and words daily.

Have a go at playing some interactive phonic games on this website:

<https://www.phonicsbloom.com/uk/game/alien-escape?phase=3>

Your spellings will be on Seesaw as usual for you to practice daily.

Any completed work can be uploaded to your Seesaw account or to Purple mash 😊

Literacy

Tuesday-

Yesterday, we met Gwyrdd and you wrote a letter back to him. Today, I would like you to write me a set of instructions about how to look after Gwyrdd.

Think about, what he would need to eat, when and how often would he need to be cleaned, what time does he need to go to bed and where would he sleep?

To write your instructions you must have a title, it must be numbered and you must use 'bossy verbs' (imperative verbs).

This means you must give commands, for example:

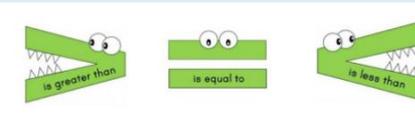

Gwyrdd's Bedtime Routine

1. Feed him supper at 6pm.
2. Brush his teeth at 6.30pm.
3. Stroke his head for five minutes to make him sleepy.
4. Tuck him in on top of his straw bed.

Maths

Tuesday-

Yesterday, you ordered fractions and decimals on a number line. Today, we are going to continue looking at decimals. I have attached a worksheet called 'Monster Line' up. You will need to use your knowledge of place value, including decimal tenths and hundredths to work out the answers. You will also need to think back to the beginning of the year when we looked at greater than and less than symbols.

Added extra

I have also attached some work using decimal and fraction measure. If you want anything extra to do, have a go at this or complete the number plant from yesterday with a new number :)

Topic

Tuesday

At the end of the story of 'The Dragon Machine', George gets a pet dog...but it turns out it isn't really a dog. It's actually a dragon that looks like a dog!

I would like you to design your own dragon/animal.

It could be-

A cat dragon

A fish dragon

A horse dragon.

Give it a name and make it look great by colouring it beautifully!

Added extra-

I have attached a list of different foods yn gymraeg. Have a look through them to familiarise yourself. Then, using the 'describing food' sheet, see if you can complete a sentence verbally. You could also write them down :)

Monster Line-Up

The pupils in Class 3 at Monster High are all different heights.

<input type="text"/>	<input type="text"/>				
					
1.1m	2.1m	1.9m	0.9m	0.6m	1.6m

Complete the statements by writing < or > in each box.

0.6m 1.1m 1.1m 0.9m 1.9m 0.6m
 2.1m 1.9m 1.6m 2.1m 0.9m 1.6m

Use the clues to work out who's who and write the correct name of each monster in the boxes above.

Think about which clues are the most useful starting points.

- Blob is shorter than Grin.
- Grue is taller than Grin.
- Grin's height has a 6 in the tenths column.
- Warp is exactly 1m shorter than Bugz.
- Bugz is the tallest.
- Fuzz is shorter than everyone.

Class 4 at Monster High have measured themselves more accurately.

<input type="text"/>	<input type="text"/>				
					
2.18m	1.50m	1.05m	1.76m	1.18m	1.97m

Complete the statements by writing < or > in each box.

1.97m 1.32m 1.50m 1.76m 1.50m 1.05m
 1.18m 1.05m 1.97m 1.18m 1.76m 1.32m

Use the clues to work out who's who and write the correct name of each monster in the boxes above.

Think about which clues are the most useful starting points.

- Croc is the shortest.
- Fizz is 1m taller than Glob.
- Ooze's height has a 7 in the tenths column.
- Ooze is taller than Tangle.
- Octo's height has a 7 in the hundredths column.

9.3

Decimals and Measures

A Write the length of each rod in centimetres.

1.

2.

3.

B

Write these fractions as decimals.

1. $1\frac{1}{2}$ m = m

4. $2\frac{1}{10}$ m = m

7. $\frac{1}{4}$ kg = kg

10. $4\frac{1}{4}$ cm = cm

2. $2\frac{1}{4}$ m = m

5. $\frac{3}{4}$ kg = kg

8. $\frac{3}{10}$ kg = kg

11. $1\frac{3}{4}$ cm = cm

3. $1\frac{3}{4}$ m = m

6. $\frac{1}{2}$ kg = kg

9. $2\frac{1}{2}$ cm = cm

12. $2\frac{9}{10}$ cm = cm

C

Round each amount to the nearest whole number.

1. £7.56

5. 3.65 m

9. 1.5 kg

13. 6.3 km

2. £4.38

6. 8.50 m

10. 6.35 kg

14. 8.05 km

3. £6.74

7. 6.49 m

11. 4.25 kg

15. 6.5 km

4. £8.09

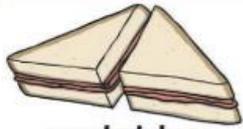

8. 5.80 m

12. 3.75 kg

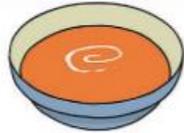

16. 3.72 km
