

VOL 20. OCTOBER 1ST 2021

# IN THE LOOP

Updates for the parents and carers of Eyton Primary School

## Special Visitor

We're having a visit on 4th October from the pony lady. She's bringing her pony to help us learn more about caring for animals. Please complete the permission slips and return by Monday or your child won't be able to pat the pony.

As this is a Charitable event, could the children please bring in a donation of £1 each?

## WHAT'S NEW:

- BCUHB will be here on **6th October** to vaccinate the children against FLU.
- Wear Red Day 22nd October - Show Racism the Red Card.
- Half Term starts 23rd October
- INSET DAY 1st November

## Shoebox Appeal

Teams4u got in touch with us this week asking us to join in with their Christmas Shoebox Appeal. Of course, we're delighted to help and this year they're offering flatpack shoeboxes which come ready decorated at a cost of 40p each. These will be lovely for the child receiving their box and much easier for us all.

Leaflets will be coming out shortly but do have a look at their [website](#) for more information. It's only 85 sleeps!

### Calling All Toddlers

We're hoping to restart our Thursday morning toddler sessions. If anyone is keen to participate/run the group please let us know.

### Foundation Phase reminder

It's PE for Foundation Phase pupils on Wednesdays and Metacubs on Thursdays, so please come to school in your PE kit both days.

**DON'T FORGET**

### Eyton Extras

We're having some problems with our Bank Account so until this is sorted can you please pay either in cash or by cheque. We're very sorry for this inconvenience and will update you as soon as we can.

### New Outdoor Classroom

We've just ordered a brand new outdoor classroom, many thanks to the very generous donation from the PTA .It's 6m by 3m and we'd love some help putting it together when it arrives .

We can't wait for the grand unveiling but in the meantime [here's](#) what it looks like
