Updates for the parents and carers of Eyton Primary School

*Croeso i Ysgol Eyton!*

## Eyton School Remembers

We observed the 2 minute silence at 11.00 on Thursday 11th November to mark the end of WW1. This year we've been fortunate enough to have been lent some medals, photographs and other items belonging to Pte Joseph Haycocks, a former pupil of our school, who died in 1915. We were able to see his picture and think about him and his family which made the day even more meaningful.

We're very grateful to Mr Andrew Morris who has generously loaned his archive to us and to the workmen next door who silently joined our vigil.
