

EYTON BREAKFAST CLUB

The Welsh Government provides funds for all children of primary age to have breakfast at school each day. It will allow all those that, for whatever reason, have not had breakfast to have one in school. The provision of free breakfasts is optional to schools but as a Healthy School we are aware that children who have had the opportunity to eat a healthy and nutritious breakfast prior to the school day are more likely to achieve their full potential.

There are two breakfast sessions, the first session runs from 8.00am to 8.20am and costs £1. The second session then runs from 8.20am to 8.40am and is free. Breakfast will not be served after 8.40am therefore no children can be admitted after 8.40am. The children already in the session remain with Breakfast Club staff until the start of the school day.

If you need any further information please contact the school and we can share the Welsh Government Guidance and explain the procedures and regulations the Breakfast Club has to meet in order to continue to receive the necessary funding to allow this important initiative to carry on. In the meantime please could you complete the details on the reverse of this form and return back to school if you currently use or intend to use our club.
