Updates for the parents and carers of Eyton Primary School

Croeso i Ysgol Eyton!

Online Safety

On 8th February it's National Safer Internet Day. This year's theme is "All fun and games" and we'll be joining schools across the country starting discussions around respect in gaming and entertainment and having fun.

We'd like parents to continue these conversations at home so please make sure you take some time to read this note.

We'd also like to draw your attention to this very important message about Tik Tok and Safety Tips for Parents.

If you have any questions, please get in touch.

NSPCC Number Day 4 February - Reminder

On Friday 4th February, we're joining other schools across the UK to celebrate and raise money for NSPCC Number Day.

Children should come to school in non-uniform, wearing clothes with as many numbers on them as possible! Yes, you can wear football or rugby tops if they have numbers on them. We ask if children could kindly bring in a £1 donation for the NSPCC.

Eyton Extras

We're in danger of losing our Charity Status for Eyton Extras unless we get our annual return to the Charity Commission by 01 February. If we lose Charity Status then Eyton Extras will be forced to close.

We need your help and support to keep going.

Library

The library is open every Tuesday morning. Many thanks to Mrs Jones for volunteering as our Librarian. Please make sure you remember to return your library books on Tuesdays so you can take more out for the next week.

Milly & Tilly are back

Our very own dynamic duo are back at school after their long Christmas Holidays. It's lovely to see them looking so well. Many thanks to Isabella and William Joyce for taking such good care of them for us.

They're so glad to be back they've laid their first eggs!
