We're delighted to announce that Mrs Collins is expecting a baby. We'd like to send our congratulations to all her family. Mrs Whitgreave and the Governors will seek a good quality replacement to cover Mrs Collins' maternity leave.

We're holding an Easter Service this Friday morning at 9 am. Reverend Sue will be in attendance and we'd like to invite 1 adult per family to attend. We can't invite more guests as the hall has a limited capacity, but we'll film the service and share it with anyone who's unable to come.
