## School Development Plan Headlines 2022-2023

1. To ensure that the Principles of Progression are implemented rigorously and consistently throughout school, having a positive impact on pupil progress.
2. To update and develop robust self-evaluation/ SDP processes, including working with learners, parents, staff, governors and other schools, introducing the Schools Partnership Programme.
3. To develop Communication, Languages and Literacy across the whole school, ensuring good pupil progress across all areas of learning.
4. To embed health and well-being throughout the school.
