number

I am sure you will all agree that the children were amazing at the harvest festival. It was lovely to see so many of you there supporting the children. Thank you for all the wonderful donations of food. The food bank will be collecting it all very soon.

Dates for your diary

- 26th** October Indian dance day and monster mash disco. 5-6pm foundation learning 6:15-7:15 key stage two.
- 28th** October half term break. None school uniform day please send a little bottle of something. It can be anything including things like bubble bath.
- 8th** November children return to school after the half term break.
- 18th** November Children in need day. The children are welcome to come in something spotty. A cash donation would be gratefully received.
- 30th** November none school uniform day. Please can the children bring in something chocolatey

Can you help?

Is there anyone handy that could repair the school notice board outside? Please contact the office if you feel you can help.

Would anyone have a few spare hours to work 2 or 3 days in our wonderful breakfast club?

Half term

Children are returning to school on Tuesday the 8th of November after half term. Monday the 7th of November is a training day.

Party Friday

Th last Friday of every term we will be having a buffet style lunch for the children. Hot and cold food laid out for the children to choose what they want.

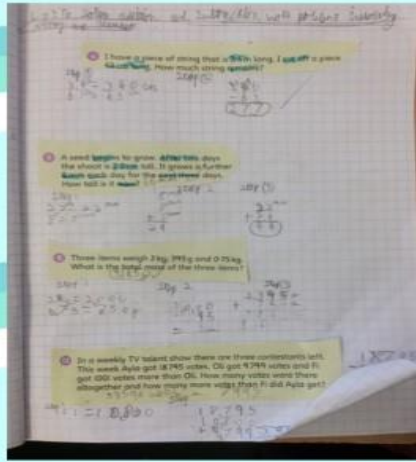

Indian dance workshop

On the 26th of October, the children will be taking part in an Indian dance workshop. All the children will spend the day learning the dance and at the end of the day parents will be invited in 2:45 to watch the children perform.

Shoe box appeal

Shoe boxes will be collected on the 11th of November. Please bring them in the first few days of the new term. If you want to bring them in before school breaks up we can keep them safe.

Week 7 Dosbarth Glyndwr By Harry and Betsan

All week, we did lots of tricky addition and subtraction word problems. We did puzzles that really challenged us and showed us what we really knew.

On our Year 6 trip we went to Xplore in Wrexham. We engineered a propeller for our planes.

We performed in our harvest festival in Ebistock Church. Everyone was so happy to get together.

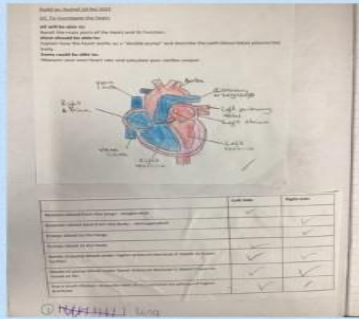

Isabella showed us what she did with Dilys the dragon over the weekend.

Seren made a bridge that she could stand on on our trip to Xplore science centre.

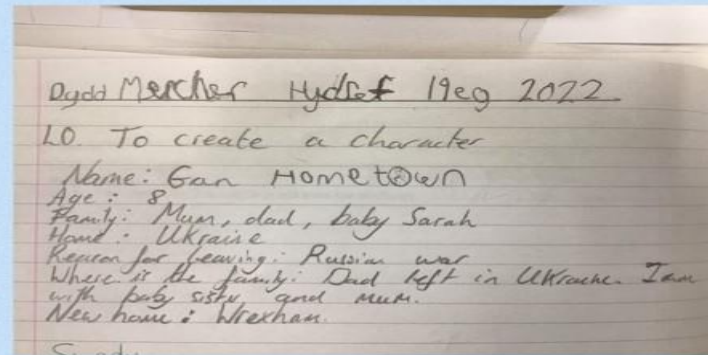

Lily

In science we looked at the function of the heart.

Dosbarth Buddug

We created a character that was a refugee.

In maths we tried various games to learn our times tables.

We used the leap frog method for subtraction.

In topic we thought about what we could do to help.

In reading we created questions about the chapter.
