Dosbarth Glyndŵr Week 6

We did Valentine's Day co-ordinates in maths.

We read our new book (the technology tail). It reminded us that when you post things online, you can lose control of them.

We wrote what we love about Wales paragraphs using different types of apostrophe.

We learnt our spellings and did activities from the spellings menu.

We wrote fake news reports by hand and digital versions too.

We have been simplifying fractions and ordering fractions on number lines.

- St. David's Day Wrexham Parade!
- To celebrate St. David's Day, Key Stage 2 children will be taking part in a celebratory musical parade through Wrexham town center on Wednesday 1st March at 1pm. We will be joining several other schools in the Wrexham area to celebrate our country's special day by singing Welsh songs and flying our flags high!
- The three songs for children to learn are available on SeeSaw so please support your child in learning the words ready for the parade. Children should wear school uniform but can also bring in Welsh hats, scarves or other Welsh themed clothing items. We will be arriving back in school around 2:30pm.
- During the morning of St. David's Day, we will be holding a mini-Eisteddfod in school which will include a whole school home baking competition! If you would like to take part, we are challenging children to bake their own bara brith at home and bring it into school on Tuesday 28th February for judging. The three winners will then be shared at the mini-Eisteddfod on Wednesday morning. Families with more than one child can submit one family bara brith or one per child. Good luck bakers!
