Please don't allow your child to climb on the school wall at any time. It is dangerous and they could hurt themselves.

School lunches

Please order your child's school lunch through parent pay. There is a deadline of 8am each morning to order by. If you have not managed to place the order by 8am for any reason, please speak to the office so that we can make sure there is enough lunch made for the children.

Can you help?

- Do you have any logs that could be used for seats for the children to sit on in the outdoor classroom.
- Would anyone be able to help with a outdoor canopy for the foundation classroom?
- Please keep a look out for anyone entering the school premises after school hours as we have had unpleasant rubbish found in the school grounds.

- If you are able to help with any of the resources need please let us know. It would also be very useful if adults could volunteer time to help create the environment once we have the equipment. This is hopefully just the start of our forest school project with many more to come.
