

Library books every
Friday

This Week's News
Friday 19th January

Swimming every
Wednesday

It's been a cold end to the week.
The children have enjoyed playing in the ice and frost.

Diary dates

2nd February NSPCC number day—children can wear numbers on own clothes

6th February internet safety day assembly— parents are invited.

9th February school closes for half term

1st March School Eisteddfod—children to wear red or Welsh costume or sports kit- please no English teams

5th March sharing time—2:30pm

13th March parents evening—times to follow

Class reading books.

We have had several children who can't seem to find their class reading books. Would you please check at home to see if you can find them.

Bus parking space

We have received a concern from the police about busses collecting and dropping of the children blocking driveways to the houses around the school. We will now be saving a space each time we need a bus to attend school. We apologise for any inconvenience cause by this.

Attendance

Following a recent visit from the attendance officer, please can you ensure that all children attend school as regularly as possible. Our attendance is low with many children under the national average.

Classroom supplies

Do you have any spare newspapers and 330ml bottles? Please send into school for a new class project

In Maths, we have invested fractions.

In literacy, we have worked on Climate Change.

Our topic work looked at volcanoes.

Dosbarth Pâl

Science we looked at Air Pollution.

We have started dance in PE.

- [https://youtu.be/ SzbMEVYiyg](https://youtu.be/SzbMEVYiyg)

Our foundation children will be learning about the pantosaurus in school. This is in regulation with the NSPPCC.

While in school we use real names for the parts of the body. Please copy and paste the link above to watch the video that will be shown to the children in class.

15.1.24
Dosbarth Jac Y Do

We made snowmen during Muddy Monday.

We carried on working on time.

We learned about how our planet is getting hotter and that the ice caps are melting.

We melted chocolate and made Rice Krispie cakes.

We looked at what can melt ice and carried out an experiment.

We focused on high frequency words this week and played lots of games.
