We learned about different types of books on World Book Day.

Dosbarth Jac Y Do w/c 4.3.23

We learned how to divide numbers. We looked at sharing and grouping in different ways.

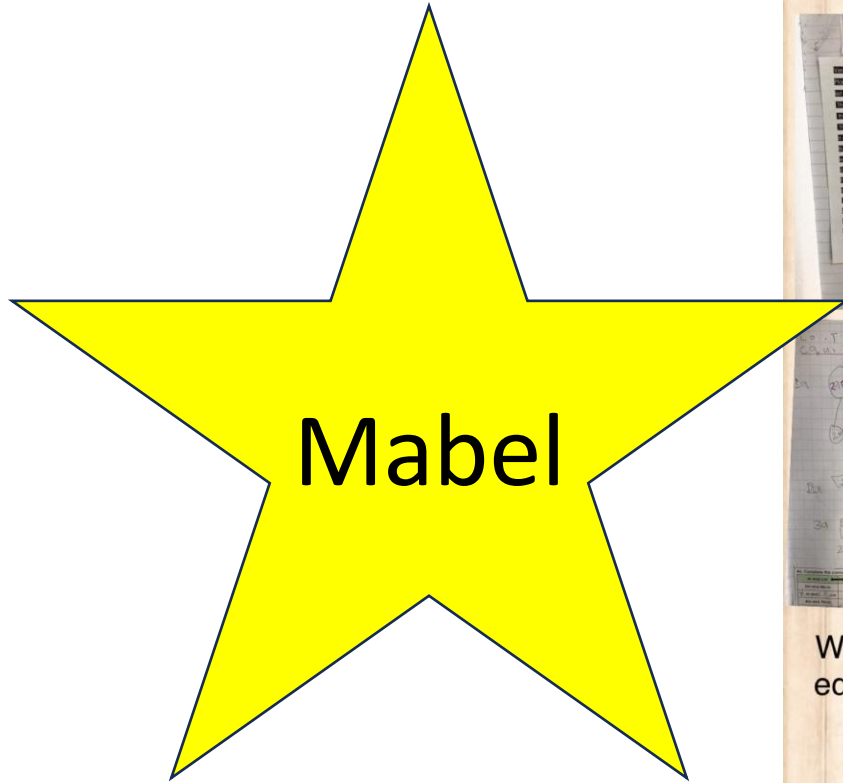

We played memory games.

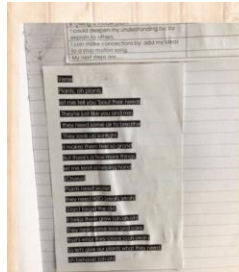

On Muddy Monday we did mud painting.

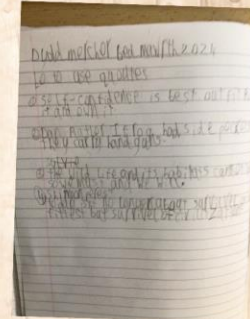

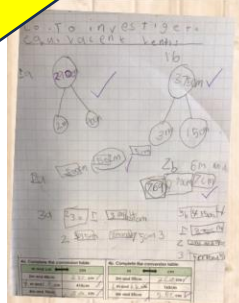

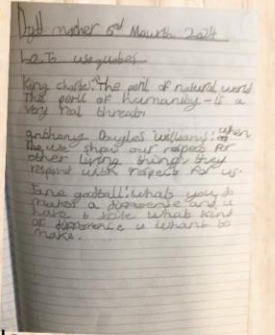

Mabel

We are trying to create a music video for a song about plants.

We found credible quotes about our endangered animals.

We have looked at equivalent lengths.

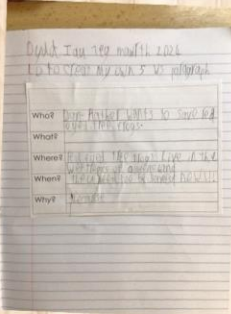

Some of our seeds have started to grow.

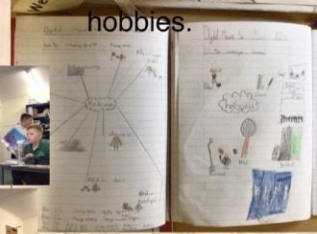

We shared our favourite books.

Dosbarth Pâl

We have looked at hobbies.

PIC•COLLAGE

Dosbarth Drudwen

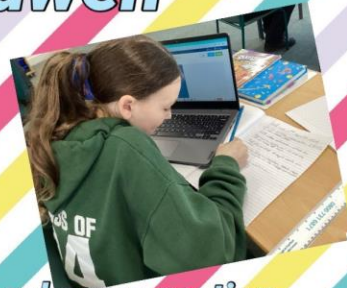

Week 3

2024

We performed a musical concert by playing cellos and pianos in front of our parents.

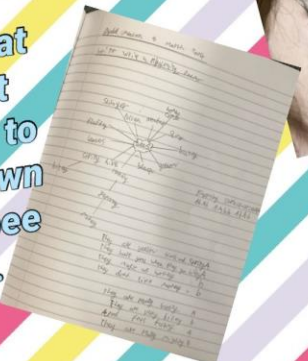

By Izzy and Leo

We explored local conversation websites to see how to get involved in tree planting and beach cleaning!

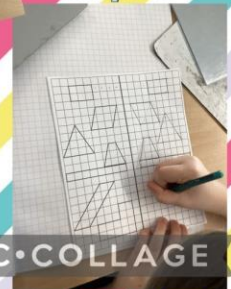

We used what we'd learnt about bees to write our own rhyming bee poems.

We also measured angles with protractors.

In maths, we were doing reflection and were reflecting shapes.

PIC-COLLAGE

This week, the children in Dosbarth Drudwen have been researching ways in which they can really make a difference to our local environment. They found several conservation groups who hold regular events to help the environment and asked that the details were shared on our school newsletter. Have a look through the information and the group websites to see if you and your family can get involved and make a difference!

Join the pledge

If you are concerned about trees and woodlands in Wrexham we want you to sign up to the pledge to show your support.

We encourage anyone to join, including those who are part of a local business, community group or organisation.

By signing up to the pledge you will join our mailing list, where you can find out how to get involved in 4 different ways:

1. Woodland creation
Tree planting to create new woodland or expand existing woodlands throughout Wrexham. Help us plant more trees by joining one of our tree planting schemes across the county.
2. Woodland conservation
Protect and enhance areas of existing woodland for biodiversity, climate change recovery and good quality habitat.
3. Woodland celebration
Allow nature connection within woodlands for health, wellbeing, play and education.
4. Woodland commendation
Understand how valuable trees and woodlands are to our everyday lives.

Swimming

Following a governing body meeting on 6th March 2024:

Dosbarth Drudwen parents: Currently we are overspent on our swimming bus budget by over £400. With the budget cuts this year, school cannot sustain this type of loss. Please could you pay for the swimming bus via parent pay or you can pay in cash in the office.

Dosbarth Pâl: For the children to go swimming, please could you pay the bus fair in advance, so that we can book and pay for the bus. The children will have 10 weeks of swimming at £4 per journey which makes £40.

Unfortunately, if we don't receive these monies, we will have to stop swimming lessons for the younger pupils, which we don't want to do.

Thank you for your understanding.
