## Diary dates

## Library

Can you spare an hour a week to be trained and then volunteer to help run our school Library?

## Mood board

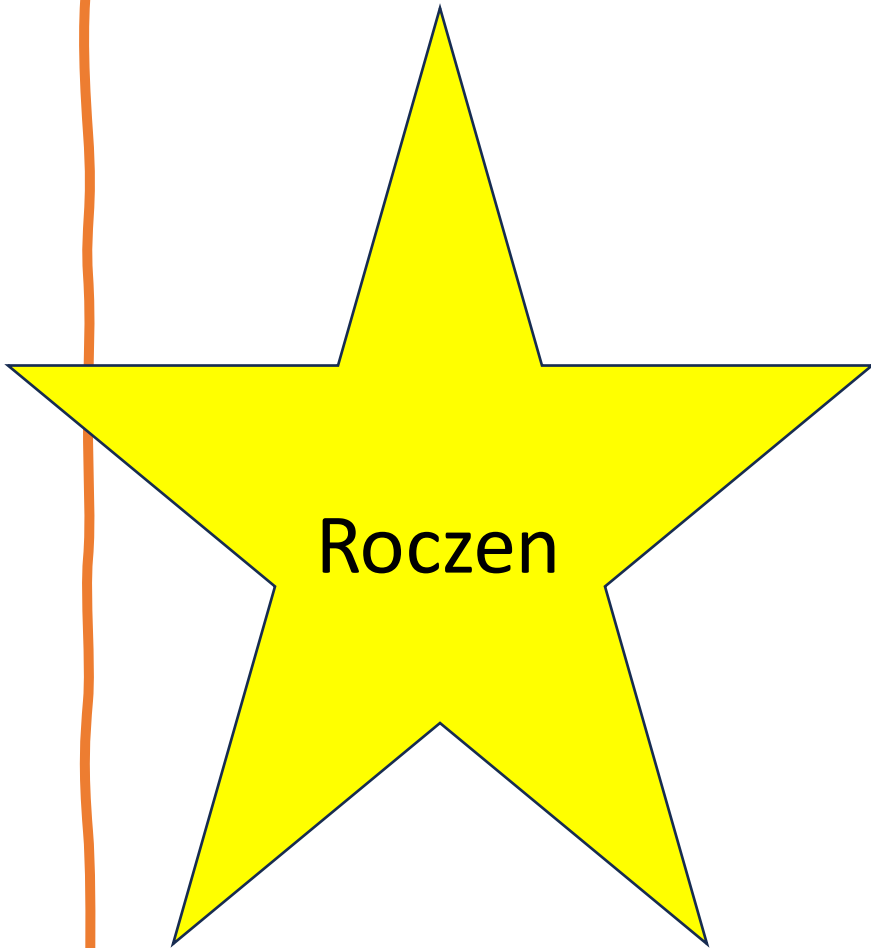

If anyone would like to make a mood board of what parents and children would like to see in our outdoor area, please do so.

## Term time holidays

Please make every effort not to take the children out of school during term time for a holiday. If you must please be aware that if your child's attendance percentage is below 90% it will not be authorized and will receive a G on the register for family holiday not agreed, as stated in the policy.

## School car park

Please do not use the entrance to the school car park to turn cars around in.

We have been looking at our Big Question- How do we solve a problem?

We designed and made crayon forts for them to live in using junk modelling.

We made mini dens for our crayons using outdoor material.

In maths, we carried on our work on measure and we looked at measuring liquids in non-standard and standard measure.

We have been looking at the story of The Day the Crayons came Home. All the crayons couldn't fit in their box anymore....

We also worked on colour matching using orbz and looked at different shades.

We are on week three!

In maths we solved problems involving fractions.

**Dosbarth Drudwen**

Welcome =)

Year 6's did work using a pair of compasses learning about diameter, radius and circumference!

We designed our own problem solving inventions!

In literacy we did some work on pronouns.

# Sponsored walk 2024

**We raised enough money on the sponsored walk to have a trip to Chester zoo. We had a vote and Chester zoo won. We will be having two workshops on the day and will then spend the rest of the time exploring. Thank you to everyone who sponsored us.**
