

# This Week's Ysgol Eyton News!

Children in Dosbarth Jac-Y-Do and Dosbarth Pâl had a fabulous time on their Agri-cation trip this week! Check out SeeSaw for photos of our visit from the vets and the furry friends they brought along with them!  
Next week, it's non-uniform day on Friday when we ask children to come into school with a bottle for the PTA.  
Plus, we're having a visit from a tortoise!

## Attendance Matters

The whole school attendance for this week is: 98.68%

Dosbarth Jac-Y-Do: 97.14%

Dosbarth Pâl: 100% 

Dosbarth Drudwen: 98.89%

## Reading Books

Please ensure that your child's reading book and reading diary are returned to school on the correct day each week regardless of whether or not it has been read at home. We currently have a number of children rarely bringing their reading book and diary back into school. As I'm sure you can imagine this causes disruption for teachers when there are planned book changes and when teachers want to hear children read their banded book.

It's important for children's progress that they keep to a regular reading routine.

## 2025-2026 INSET Days

The following INSET/teacher training days for the Maelor School cluster primary schools have been agreed for the academic year 2025-2026 and are as follows:

Mon 1<sup>st</sup> & Tue 2<sup>nd</sup> Sep

Fri 24<sup>th</sup> Oct

Mon 5<sup>th</sup> Jan

Mon 13<sup>th</sup> April (primary schools only)

Mon 20<sup>th</sup> July

Children will not be attending school on these dates.

## Baskets

Do you have any spare baskets? Would you be willing to donate them to our school? Mrs Collins is looking for baskets of any size to be donated to Dosbarth Jac-Y-Do. If you do have any, please send them in with your child or bring them to Miss Jones in Reception.

Thank you!

## Water Bottles

After half term, we are hoping to switch our drinking water method from paper cups to refillable water bottles. This is mainly due to the cost of the paper cups which was a measure originally brought in due to COVID-19.

After half term, we ask that every child brings a refillable water bottle into school which will stay in school and not go home each day.

Thank you!

A photograph of three children sitting around a round wooden table outdoors. On the left, a boy in a white polo shirt and dark shorts sits on a green plastic chair. In the middle, a girl in a white polo shirt and dark skirt sits on a green plastic chair. On the right, a girl in a green patterned dress sits on a green plastic chair. A small green robot is on the table. The background is a wooden fence.

A group of children and an adult are gathered outdoors in a grassy area. A young boy in a white shirt and dark shorts is holding a small object, possibly a piece of food, towards a goat. The goat is light brown and white with curved horns. Other children and an adult in a blue shirt are looking on. A green corrugated metal structure is in the background.

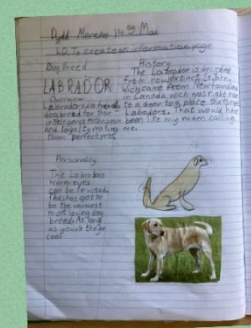

A young boy in a green school uniform is sitting on a green mat, playing with colorful rings and small objects. He is smiling and looking towards the camera. Other children are visible in the background, also playing on the mat.

We went to Agri-  
cation.

We have investigated different dog breeds.

Circuit training  
was exhausting.

We planned our trip.

## Dosbarth Pêl

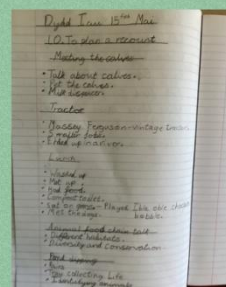

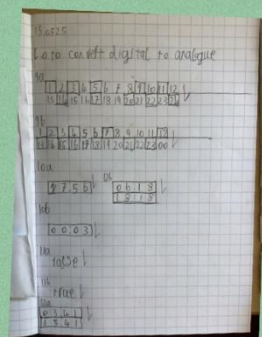

We are working of analogue and digital time.

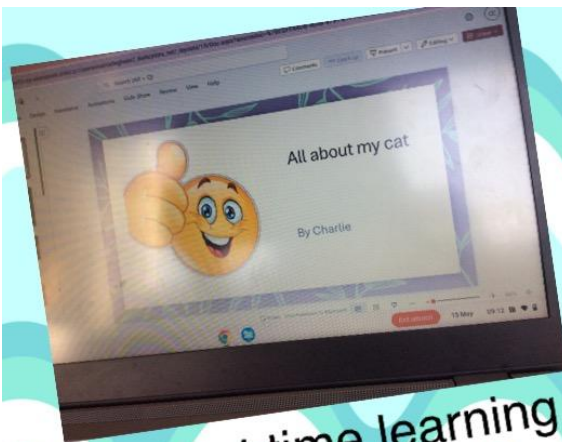

Research tortoises  
ready to meet one  
on Monday.

We created notes  
for a recount.

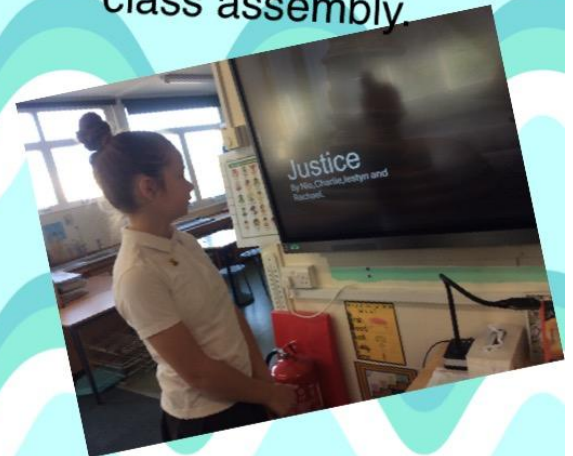

Dylan Izzy Aden Beau came from Penley with Miss Davies and told us all about the Maelor School!

We spent time learning about how to do a good presentation. Then we all performed our pet presentations to the class.

Nio Charlie Rachael and Iestyn shared a really good class assembly.

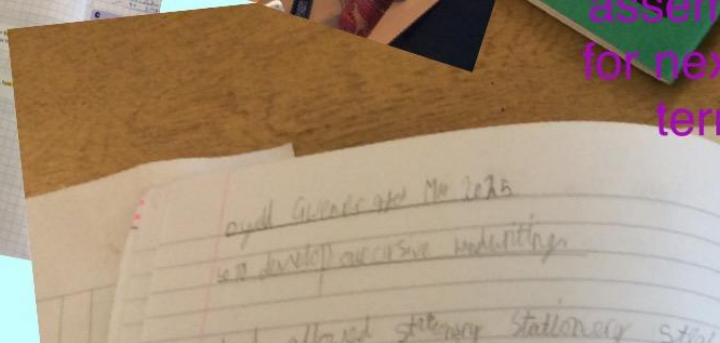

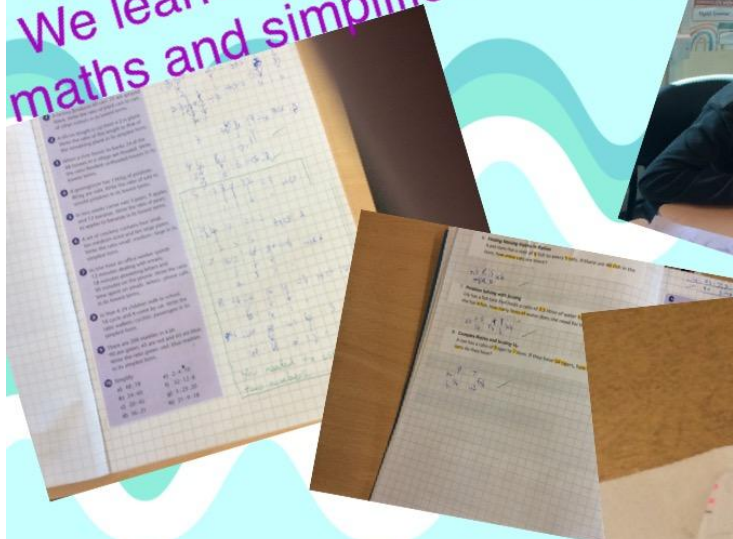

## By Charlie and Lisa Dosbarth Drudwen Week 3

We learned all about ratio in maths and simplified them too.

Our groups started preparing their class assemblies for next half term.
