

This Week's Ysgol Eyton News!

Welcome back to school everyone! We hope you all had a restful and fun summer holiday. The children are settling well into their classes and raring to go for another year!
If you have not already done so, please connect to your child's new Seesaw class ASAP as individual teacher messages and communications will be primarily done via this platform.

Data Collection Forms

On Monday, we will send home data collection forms to all parents/carers. We plan to send these forms home every September to ensure we have the most up-to-date information on file.

Please ensure these forms are completed accurately with no ambiguous information nor any blank spaces where information is expected. We would prefer too much detail if anything!

Please return these to Miss Jones in Reception by Monday 15th September at the latest.

Many thanks.

Password System

We are implementing a new password system to strengthen our safeguarding procedures at Ysgol Eyton.

Parents/carers will notice on the data collection forms the request for a password. This will be requested by school staff of anyone wishing to collect a child from school who is not the usual person/recognised parent/carer. All siblings should have the same password.

Please still do your best to let the school know in advance if someone out of the ordinary will be collecting your child by phoning, emailing or messaging on Seesaw and make sure you give them your password.

Hockey Lessons

All classes will be receiving hockey lessons as their PE lessons throughout the first half of the Autumn term.

After her visit to Ysgol Eyton on Fitness Day, our hockey expert Gemma enjoyed it so much that she offered us a whole half term's worth of lessons for free!

Please ensure your child brings their PE kit in on Mondays to enjoy their hockey time.

Meet The Teacher

Each class will be holding their annual 'Meet The Teacher' session on Tuesday 16th September.

We warmly invite parents/carers into their child's classroom to learn about the class routines and expectations as well as to complete an activity with your child.

This is an excellent opportunity to ask your child's teacher any questions or to clarify any information.

Dosbarth Drudwen!

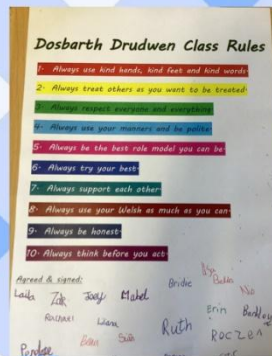

1st week of
the school
year!

On Wednesday, we did a one page profile and designed our new bookmarks.

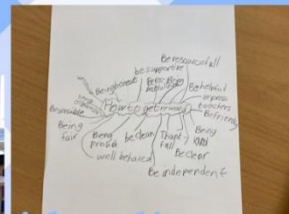

We did a treasure hunt in the classroom.

We came up with our new class rules together.

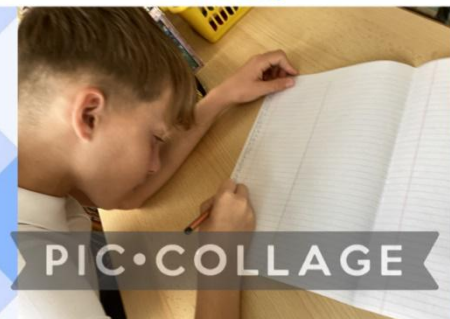

We did a spider diagram on what kind of classroom we want, rewards we want and behaviours to get them.

We did a big spelling test.

We wrote a
recount of our
summer
holidays.

Funded Education for 3 year olds

If your child has their 3rd birthday before August 31st, 2026, there are some important dates for school admissions that you need to be aware of.

If your child's third birthday falls between September 1st and December 31st, you can apply for the **January 2026** intake of Funded Early Education and for a September 2026 Nursery place. FEE applications open on September 1st and should be submitted by **October 24th**.

If your child's third birthday falls between January 1st and March 31st, you can apply for the **April 2026** intake of Funded Early Education and for a September 2026 Nursery place. FEE applications open on November 3rd and should be submitted by **December 19th**.

For all children whose 3rd birthday falls before August 31st, you can apply for a September **2026 Nursery** place. Nursery applications open on January 6th and should be submitted by **February 16th**.

To find out more information and to apply, scan the QR code or visit www.wrexham.gov.uk/school-admissions

If your child is eligible for both Funded Early Education and Nursery, you will need to make two **separate** applications. Securing a Funded Early Education place does not guarantee a Nursery place at the same school, and securing a Nursery place does not guarantee a full time Reception place at the same school the following year. Each phase of education requires a new application, and each year the available places are allocated in line with the admissions policy on our website. It is very important to apply on time because late applications are considered after applications that we receive on time.

If you are employed or in education, you could also be eligible for the Childcare Offer for Wales. This offer provides a combined 30 hours of education and childcare provision. You should apply to School Admissions for the education element of this offer (Funded Early Education, Nursery or both). Eligible parents can then make a separate application for the childcare element of the offer. You can find out more about this offer by visiting www.wrexham.gov.uk/childcare-offer-wales
