

This Week's Ysgol Eyton News!

We've have had a lovely time getting back into our school routine this week.

Next week, we're looking forward to Meet The Teacher sessions on Tuesday.

If you have not already done so, please connect to your child's new Seesaw class ASAP as individual teacher messages and communications will be primarily done via this platform.

Data Collection Forms

If you have not done so already, please return the data collection
forms to Miss Jones in Reception **by Monday 15th September at the
latest.** Many thanks.

Reading Diaries

Please could parents ensure that they hear their children read their
school reading book aloud every week. Also ensure children bring their
book and diary back into school on the day specified by their teacher.

Parents should write a comment about children's reading in their
reading diary. This comment could be about the quality of the children's
reading aloud or how well they answered questions about the book.

Even if there is only time for a few pages, it is very important for
children to be reading at home as well as at school as regularly as
possible in order to make the best progress they can.

Many thanks for your support!

Food Donations

Eyton Extras are again in need of some support with food donations.
If you have any extra food you would be willing to donate, please
see Miss Jones or Mrs Durnell.

Dosbarth Jac-Y-Do

Just to clarify, Dosbarth Jac-Y-Do now have
PE on a Monday and Welly Wednesday.
Please ensure children come into school in
their PE kit on Mondays and bring their
outdoor clothing (waterproof coats and
wellies) on a Wednesday.

Many thanks!

Volunteer Library Assistant

Ysgol Eyton is looking for a volunteer to
become our new library assistant!

The role would involve popping into school
once per week for maybe a little over an
hour to help children change their library
books (as opposed to their banded books),
ensuring books are returned to the correct
place in the library and keeping a record of
which books children have taken out each
week.

It would also be helpful if this person could
keep on top of the general tidiness of the
library whilst they are in school too.

The day on which library books are changed
would depend on our new volunteer's
availability.

If you are interested in becoming our new
library assistant, please express your
interest to Miss Jones and Mrs Hughes will
get in contact with you.

We created our stories in the small world.

We created a story map.

We have looked at food chains.

Dosbarth Pêl

We thought about fruit and vegetables that we like.

We used maths resources to create numbers.

We made our characters out of play dough.

YEAR 6 PARENTS

Dear parent

Please be advised that the applications for secondary school places for the September 2026 intake are now open.

Our secondary schools will be holding their open evenings in the coming weeks. If you're looking at options, they can be a great opportunity for parents, guardians and children to visit schools to get an idea of what they are like. The dates for all school open evenings are available on our website - [Open evenings](#).

Late applications are processed after those received on time, so it is important you submit your application by the closing date – **3rd November 2025**.

It is strongly recommended that you list more than one preference when making your application. Listing only one school, or listing the same school multiple times, does not result in a better chance of being offered that school. However, if you list only one preference and this is unsuccessful, any new preferences that you add after the closing date will be 'late' applications. This means that you may have less opportunity to be allocated this school preference, because priority is given to on-time applications.

It is important to consider how your child will get to school each day when deciding which schools to add to your application. Please see our [transport policy](#) for more information regarding eligibility for school transport.

You can find information about how to apply and 'frequently asked questions' on our website - [WCBC School Admissions](#)

Kind regards,

Shelley Roberts

Admissions Officer, WCBC

Funded Education for 3 year olds

If your child has their 3rd birthday before August 31st, 2026, there are some important dates for school admissions that you need to be aware of.

If your child's third birthday falls between September 1st and December 31st, you can apply for the **January 2026** intake of Funded Early Education and for a September 2026 Nursery place. FEE applications open on September 1st and should be submitted by **October 24th**.

If your child's third birthday falls between January 1st and March 31st, you can apply for the **April 2026** intake of Funded Early Education and for a September 2026 Nursery place. FEE applications open on November 3rd and should be submitted by **December 19th**.

For all children whose 3rd birthday falls before August 31st, you can apply for a September **2026 Nursery** place. Nursery applications open on January 6th and should be submitted by **February 16th**.

To find out more information and to apply, scan the QR code or visit www.wrexham.gov.uk/school-admissions

If your child is eligible for both Funded Early Education and Nursery, you will need to make two **separate** applications. Securing a Funded Early Education place does not guarantee a Nursery place at the same school, and securing a Nursery place does not guarantee a full time Reception place at the same school the following year. Each phase of education requires a new application, and each year the available places are allocated in line with the admissions policy on our website. It is very important to apply on time because late applications are considered after applications that we receive on time.

If you are employed or in education, you could also be eligible for the Childcare Offer for Wales. This offer provides a combined 30 hours of education and childcare provision. You should apply to School Admissions for the education element of this offer (Funded Early Education, Nursery or both). Eligible parents can then make a separate application for the childcare element of the offer. You can find out more about this offer by visiting www.wrexham.gov.uk/childcare-offer-wales
