## Data Collection Forms

If you have not done so already, please return the data collection forms to Miss Jones in Reception ASAP. It is imperative we have up-to-date information to keep our pupils safe. Many thanks.

## Parent/Teacher Check-Ins

All teachers will be holding parent/teacher check-in meetings on Wednesday 1<sup>st</sup> October from 3:20pm until 5pm.

We have found that holding one parents' evening per year in March is not always enough and, as a result, meetings in March tend to run over the allotted 10-minute time slot.

To remedy this, we are holding October parent/teacher check-ins for parents to quickly check how well their child is settling into their new year group/class.

This is also an opportunity for parents to share any key information that teachers may not already be aware of and ask any questions.

Meetings will have an allocated time of 5 minutes and are not intended to last as long as a full Parents' Evening meeting. These will still take place in March as usual.

Please message your child's teacher on Seesaw to arrange your time slot. These will be allocated on a first come first served basis.

## PTA AGM

Our wonderful PTA will be holding their AGM at school on Wednesday 24<sup>th</sup> Sep at 6pm.

Please do come along if you're interested in lending the PTA a hand wherever you can this year. You needn't commit to anything by attending. It could just be a great opportunity to see what being a part of the PTA entails.

If you're interested in helping the PTA out even at one event this year, please talk to Mrs Jade Owens who will welcome you with open arms!

Many thanks for your support!

## HARVEST Food Donations

For our Harvest festival this year, we're asking children to bring in at least one item of food which will be displayed during our Harvest Festival service.

The food will then be donated to our local food bank to be given to those in need.

Please only donate food which will not perish within 2 weeks and doesn't require refrigeration.

Please send in things such as tinned food, dry food like cereal, crackers, breadsticks, biscuits as well as dried fruit, nuts or seeds.

You may begin donating food from next week and we will gather it gradually in preparation for our service. Feel free to send in more than one item and ensure all food is in date.

Many thanks for your generosity!

## New look WCBC primary school menu!

WCBC and the catering team have been busy behind the scenes working with partner agencies to put more Welsh products onto the primary school menu and ensure the menu design is appealing and promotes the quality of our school meals.

Several WCBC schools were involved in the design process of the menu including staff, pupils and parents. Not only does it proudly display vegetarian and Welsh products but also includes a 'star choice' option - how many can your pupils choose each week?

We hope you like it as much as we do and it should prove a welcome and colourful addition to school walls across the county.

# Funded Education for 3 year olds

If your child has their 3rd birthday before August 31st, 2026, there are some important dates for school admissions that you need to be aware of.

If your child's third birthday falls between September 1st and December 31st, you can apply for the **January 2026** intake of Funded Early Education and for a September 2026 Nursery place. FEE applications open on September 1st and should be submitted by **October 24th**.

If your child's third birthday falls between January 1st and March 31st, you can apply for the **April 2026** intake of Funded Early Education and for a September 2026 Nursery place. FEE applications open on November 3rd and should be submitted by **December 19th**.

For all children whose 3rd birthday falls before August 31st, you can apply for a September **2026 Nursery** place. Nursery applications open on January 6th and should be submitted by **February 16th**.

To find out more information and to apply, scan the QR code or visit [www.wrexham.gov.uk/school-admissions](http://www.wrexham.gov.uk/school-admissions)

If your child is eligible for both Funded Early Education and Nursery, you will need to make two **separate** applications. Securing a Funded Early Education place does not guarantee a Nursery place at the same school, and securing a Nursery place does not guarantee a full time Reception place at the same school the following year. Each phase of education requires a new application, and each year the available places are allocated in line with the admissions policy on our website. It is very important to apply on time because late applications are considered after applications that we receive on time.

If you are employed or in education, you could also be eligible for the Childcare Offer for Wales. This offer provides a combined 30 hours of education and childcare provision. You should apply to School Admissions for the education element of this offer (Funded Early Education, Nursery or both). Eligible parents can then make a separate application for the childcare element of the offer. You can find out more about this offer by visiting [www.wrexham.gov.uk/childcare-offer-wales](http://www.wrexham.gov.uk/childcare-offer-wales)
