## Data Collection Forms

If you have not done so already, please return the data collection forms to Miss Jones in Reception ASAP. It is imperative we have up-to-date information to keep our pupils safe. Many thanks.

## Parent/Teacher Check-Ins

All teachers will be holding parent/teacher check-in meetings on Wednesday 1<sup>st</sup> October from 3:20pm until 5pm.

Please message your child's teacher on Seesaw to arrange your time slot if you have not already done so. These will be allocated on a first come first served basis.

## Harvest Food Donations

Many thanks to those families who have already donated non-perishable food for our Harvest Festival. Your kindness is hugely appreciated and will make a positive impact on those in need who receive it.

We are still collecting Harvest donations and we hope that each child is able to donate at least one item of food.

Many thanks for your generosity!

## Harvest Service Bus

As bus companies have raised their prices once again, the school must ask for a £2 donation per child to cover the cost of transporting the children to and from Sant Dunawd Church for our Harvest Festival.

The payment has been set up on Parent Pay and ideally should be paid before our Harvest Service on Tuesday 7<sup>th</sup> October.

Many thanks for your understanding and support.

## Solar Farm Consultation

Ysgol Eyton will be hosting a public consultation meeting for the proposed solar farm due to be installed in our surrounding fields.

This will take place on Thursday 9<sup>th</sup> October 5:30-7:00pm in our school hall.

By hosting this event, Ysgol Eyton is not showing any affiliation with the company proposing the farm. We are simply facilitating the public in their ability to have their voices heard on the matter.

There is no need to pre-book your place at this consultation. Members of the public may arrive at any time to question the solar farm company and raise concerns.

Many thanks.

## New look WCBC primary school menu!

WCBC and the catering team have been busy behind the scenes working with partner agencies to put more Welsh products onto the primary school menu and ensure the menu design is appealing and promotes the quality of our school meals.

Several WCBC schools were involved in the design process of the menu including staff, pupils and parents. Not only does it proudly display vegetarian and Welsh products but also includes a 'star choice' option - how many can your pupils choose each week?

We hope you like it as much as we do and it should prove a welcome and colourful addition to school walls across the county.

# Funded Education for 3 year olds

If your child has their 3rd birthday before August 31st, 2026, there are some important dates for school admissions that you need to be aware of.

If your child's third birthday falls between September 1st and December 31st, you can apply for the **January 2026** intake of Funded Early Education and for a September 2026 Nursery place. FEE applications open on September 1st and should be submitted by **October 24th**.

If your child's third birthday falls between January 1st and March 31st, you can apply for the **April 2026** intake of Funded Early Education and for a September 2026 Nursery place. FEE applications open on November 3rd and should be submitted by **December 19th**.

For all children whose 3rd birthday falls before August 31st, you can apply for a September **2026 Nursery** place. Nursery applications open on January 6th and should be submitted by **February 16th**.

To find out more information and to apply, scan the QR code or visit [www.wrexham.gov.uk/school-admissions](http://www.wrexham.gov.uk/school-admissions)

If your child is eligible for both Funded Early Education and Nursery, you will need to make two **separate** applications. Securing a Funded Early Education place does not guarantee a Nursery place at the same school, and securing a Nursery place does not guarantee a full time Reception place at the same school the following year. Each phase of education requires a new application, and each year the available places are allocated in line with the admissions policy on our website. It is very important to apply on time because late applications are considered after applications that we receive on time.

If you are employed or in education, you could also be eligible for the Childcare Offer for Wales. This offer provides a combined 30 hours of education and childcare provision. You should apply to School Admissions for the education element of this offer (Funded Early Education, Nursery or both). Eligible parents can then make a separate application for the childcare element of the offer. You can find out more about this offer by visiting [www.wrexham.gov.uk/childcare-offer-wales](http://www.wrexham.gov.uk/childcare-offer-wales)
