Purple Mash Online Library

Our main online homework platform, Purple Mash, now has an online library available for children to access online reading books at home with their usual Purple Mash login.

From the home page, go to 'Reading', then to 'Purple Mash Library'.

Books can be read or there is an audiobook function enabling the books to be read aloud to children.

Most of the texts are organised by age group suitability. Children may choose whichever books they're interested in or those that feel right for them.

Please take the time to have a look at this resource with your children at home and encourage them to explore the range of texts available. They can log in at any time and enjoy the variety of books available to them. Happy reading!

The Leader Article

The Leader newspaper recently interviewed Mrs Hughes on what it is like to go through an Estyn inspection.

To accompany the article, The Leader asked for a photograph of the school building featuring some staff and pupils as well as some activities which pupils were doing on the day of the interview.

All parent wishes stated on September's data collection forms for third party photo consents were adhered to.

It was a great opportunity for Mrs Hughes to share our school's positive Estyn report too.

The article should feature in The Leader's publications on Wednesday 28th January so look out for us!

Ukulele Lessons

Reverend Marcus' ukulele lessons for KS2 began this week and they went incredibly well!

All children followed instructions really well and were keen to have a go of playing the brand new ukuleles. They even learned how to play their first song! Check out the photos below.

We are so grateful that Reverend Marcus has volunteered his free time and energy to enhance the music provision for our children.

Reverend Marcus is unable to deliver lessons next Tuesday but after that, he will be visiting us and sharing his enthusiasm every Tuesday for the foreseeable future.

Nursery Applications

Please be advised that the applications for Nursery school places for the September 2026 intake are now open.

The closing date to apply for a Nursery school place is **Monday, 16th February 2026**. You can apply on-line at [School admissions | Wrexham County Borough Council](#).

If you have made an application for a Funded Early Education place to start in January or April 2026, it's important to note that this is not the same as a Nursery application. **The 10-hour funded early education place is only for the spring and/or summer term and will end in July.** Parents who applied for a January place will have already received their response letter. Parents who applied for an April place will receive their response letter on 19th February.

Securing a place in an early education setting for spring or summer term does not guarantee you a place at the same setting for the Nursery class which starts in September. You must make a separate application for the Nursery class if you have not done so already, and these applications are processed in line with our admissions policy.

If you have any difficulties in making an application, please contact us at admissions@wrexham.gov.uk or 01978 298991.

Kind regards,

Shelley Roberts
